A New and Accurate MAP of the County of CORNWALL from an Actual Survey.

Made by Thos. Martyn.

The Islands of SCILLY, Lying about nine Leagues nearly West of the Lands End, could not be placed in their proper Position without making the Map of too great a Length, they are therefore placed here to Shew the Form & Proportion they bear with the rest of the County.

Explanation

The Towns are Shewn by their Schnography (or Ground Plot) and the Borough Towns have a B. added to them.
