e. et id delet de peccato. — Ad argumentum in oppositum [illegible] quod penitentia est sacramentum [illegible] non [illegible] in primis actibus [illegible].

Circa quartum de sacramento penitentie queritur quinto [illegible]. Primo utrum penitentia sit sacramentum. Secundo utrum aliqua penitentia deleat sollempnizari [illegible] est de effectu penitentie. [illegible] utrum [illegible] possit exire a sua penitentia. — Ad primum sic proceditur videtur quod penitentia non sit sacramentum quia [illegible] naturale. Ergo penitentia est de iure naturali [illegible] quod [illegible] dicatur [illegible] penitentia non est sacramentum. — Item penitentia fuit ante legem novam et veterem. [illegible] Iob qui fuit ante legem dixit ago penitentiam in favilla et cinere ut habetur Iob. xlii. ergo penitentia non est sacramentum nove legis nec veteris. — Item sacramentum est materiale elementum ut dicit Hugo de sacramentis [illegible] sed nullum materiale elementum est in penitentia ergo ipsa non est sacramentum. — In contrarium [illegible] quod remedium contra peccatum originale [illegible] est sacramentum ut [illegible] ergo penitentia que est remedium contra peccatum actuale [illegible] sacramentum [illegible] contra peccatum [illegible] est remedium contra peccatum originale. [illegible] — [illegible] penitentia [illegible] quod penitentia accepta [illegible] in actu [illegible] est sacramentum [illegible] penitentia [illegible] accepta [illegible] quomodo accipitur penitentia pro actibus exterioribus qui sunt [illegible] et absolutionem [illegible] et de penitentia [illegible] est sacramentum [illegible] virtute [illegible] ad effectum [illegible] penitentie [illegible] est sacramentum. Ergo penitentia [illegible] est sacramentum [illegible] non est [illegible] penitentia sit [illegible] et absolutionis [illegible] remedium [illegible] contra peccatum [illegible] penitentiam [illegible] ad absolutionem [illegible] dominus dixit [illegible] remittuntur eis [illegible] efficacius [illegible] cum dominus dixit [illegible] et [illegible] absolutione cum [illegible] absoluo te [illegible] quod significat quod est [illegible]. — Ex quibus [illegible] sunt [illegible] quod [illegible] sacramentum [illegible] et absolutionis [illegible] penitentie [illegible] et absolutione [illegible] sacramentum [illegible] penitentia [illegible] et [illegible] sacramentum penitentia [illegible] et [illegible] penitentie [illegible] est [illegible] ad [illegible] sacramentum. [illegible] — Ad [illegible] quod penitentia accepta [illegible] et absolutione [illegible] non est de [illegible] nulla [illegible] et absolutionem [illegible] penitentia [illegible] non [illegible] sacramentum [illegible]. — Ad [illegible] quod penitentia [illegible] Iob non fuit sacramentum [illegible] voluntate [illegible] assumpta ad satisfactionem delicti [illegible]. — Ad [illegible] quod [illegible] male elementum [illegible] penitentia est ille elementum

[illegible] absolutionis [illegible] et absolutionis [illegible].

Utrum [illegible] penitentia [illegible] deleat sollempnizari quod penitentia est [illegible] ut patet [illegible] sollempnizatur non deleat [illegible] penitentia non [illegible] sollempnizari. — Item [illegible] publicare [illegible] et [illegible] sollempnem penitentiam [illegible] penitentia non [illegible] sollempnizari. — Item [illegible] penitentia [illegible] laycis [illegible] sollempnis penitentia [illegible] laycis. — In contrarium [illegible] in capite quadragesime. — Respondeo [illegible] penitentia sollempnis [illegible] — Quantum ad primum [illegible] quod penitentia [illegible] sollempnis [illegible] penitentia [illegible] penitentia [illegible] contra [illegible] de penitentia [illegible] sollempnem [illegible] ut [illegible] et [illegible] in capite [illegible] penitentia non [illegible] ordinis [illegible] ordinandi [illegible] — Quantum ad [illegible] quod sollempnis penitentia non [illegible] sollempnis [illegible] et [illegible] sollempnizari [illegible] quod non [illegible] in capite quadragesime sollempniter [illegible] — In cena domini [illegible] in [illegible] ad [illegible] sollempnis penitentie [illegible] sollempnitas [illegible] ad [illegible]

venialibus videtur sufficere oratio dominicalis cum aliqua contritione pro mortalibus autem non sufficit sed requiritur amplior contritio et maior satisfactio et huiusmodi etc.

Circa distinctionem istam quae decima quinta est de partibus paenitentiae. Secunda est de remissione venialium. Quarta est de contritione. Prima quarta est de integritate de paenitentiae

// [illegible] quod verum contritio confessio et satisfactio sint partes paenitentiae [illegible] quod non quod [illegible] sacramentum [illegible] [illegible] partes contritio non [illegible] [illegible] [illegible] ergo [illegible] non est partes sacramenti paenitentiae // Item si [illegible] sint partes sacramenti paenitentiae aut partes liberatiae aut integrales non subiectivae quia totum partes salvatur in qualibet parte subiectiva. Sed sacramentum paenitentiae non salvatur [illegible] [illegible] [illegible] quod sacramentum paenitentiae non salvatur in [illegible] contritione et in [illegible] ergo non sunt partes [illegible] integrales quia totum integrale requirit actualiter omnes suas partes. Sed sacramentum paenitentiae [illegible] non requirit actualiter satisfactionem ergo satisfactio non est de eius integritate. // In contrarium [illegible] quia per paenitentiam [illegible] paena per satisfactionem [illegible]. Sed [illegible] [illegible] [illegible] [illegible] [illegible] interior et exterior [illegible] quod [illegible] ergo ad integritatem paenitentiae pertinet paena interioris contritionis et exterioris. Non est [illegible] quin confessio pertineat ad sacramentum paenitentiae ergo illa [illegible] de integritate paenitentiae // [illegible] [illegible] ut patet ex [illegible] [illegible] [illegible] [illegible] sacramento [illegible] loquitur de paenitentia [illegible] [illegible] [illegible] contritio confessio et satisfactio non sunt partes [illegible] [illegible] [illegible] [illegible] [illegible] confessio [illegible] et satisfactio [illegible] [illegible] [illegible] quod non sint partes [illegible] patet quia nullum [illegible] [illegible] partes. Sed paenitentia ut [illegible] est [illegible] [illegible] [illegible] ergo non [illegible] partes. Quantum [illegible] sit [illegible] [illegible] patet quia [illegible] paenitentiae est [illegible] displicentia de [illegible] commisso. Sed talis displicentia est contritio ergo etc. Confessio autem et satisfactio [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] paenitentia [illegible] ut est sacramentum partes [illegible]. Sed [illegible] non [illegible] contritio et satisfactio [illegible] [illegible] de partibus quia [illegible] [illegible] [illegible] ad utrumque [illegible] [illegible] [illegible] [illegible] [illegible] non est [illegible] [illegible] partes [illegible] [illegible] contritio et satisfactio non [illegible] [illegible] [illegible] sacramenti paenitentiae [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] sacerdoti ergo contritio et satisfactio non [illegible] partes sacramenti [illegible] [illegible] paenitentiae [illegible] [illegible] [illegible]. Similiter patet [illegible] [illegible] [illegible] [illegible] est de integritate sacramenti. Sed quod [illegible] ad [illegible] [illegible] [illegible] [illegible] ut patet ex [illegible] [illegible] [illegible] [illegible] loquitur [illegible] [illegible] [illegible] quod est sacramentum [illegible]. Sed contritio non [illegible] ergo non est de integritate sacramenti. Non est ergo [illegible] [illegible] sacramenti paenitentiae [illegible] [illegible] [illegible] ut [illegible] [illegible] [illegible] ad [illegible] [illegible] sacramenti quod est [illegible] et [illegible] [illegible] mortale quia nullum [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] voluntate [illegible] [illegible] [illegible] quod [illegible] nolebat est displicentia [illegible] [illegible] placebat [illegible] displicentia dolor contritionis [illegible] et [illegible] [illegible] [illegible] [illegible] [illegible] displicentia [illegible] [illegible] [illegible] [illegible] sacramenti // Item patet de satisfactione quia [illegible] [illegible] [illegible] [illegible] de necessitate sacramenti [illegible] [illegible] [illegible] [illegible] [illegible] non exsolvat paenam [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] sacramentum ergo satisfactio non est de [illegible] paenitentiae [illegible] [illegible]. Sed [illegible] [illegible]

perigitur tamquam [illegible] [illegible] [illegible] sicut [illegible] [illegible] [illegible] non [illegible] [illegible] satisfactio [illegible] tamquam [illegible] sicut [illegible] [illegible] sacramenti [illegible] non remanet. Patet ergo quod contritio et satisfactio non sunt partes [illegible] paenitentiae [illegible] loquendo [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] ad debitam [illegible] [illegible] [illegible] [illegible] contritio et satisfactio [illegible] [illegible] [illegible] [illegible] ad utrumque partem [illegible] [illegible] [illegible] quod duo [illegible] [illegible] quod contritio et satisfactio non sunt partes paenitentiae [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] quod sunt partes [illegible] [illegible] [illegible] [illegible] [illegible] requiritur ad [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible].

Secundo quaeritur utrum peccatum veniale possit remitti sine mortali. Videtur quod sic quia peccatum mortale potest dimitti sine veniali ergo veniale potest dimitti sine mortali [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] veniale. // Item veniale [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] mortalis ergo potest [illegible] [illegible] veniali satisfactione // In contrarium est quod dicit [illegible] quod peccatum veniale obscurat mentem [illegible] mortale obtenebrat. Sed obscuritas non removetur [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] peccatum mortale [illegible] ergo veniale non potest dimitti sine mortali // [illegible] [illegible] [illegible] quae non habent connexionem ex aliqua parte possunt remitti unum sine alio quae habent connexionem non possunt remitti sine invicem. Cum ergo venialia [illegible] [illegible] [illegible] [illegible] habent [illegible] ex parte [illegible] [illegible] [illegible] [illegible] [illegible] ex parte [illegible] quia gratia non tollit [illegible] [illegible] [illegible] veniale potest tolli sine alio mortali [illegible] ex parte [illegible] [illegible] connexionem [illegible]. Sed ex parte [illegible] [illegible] [illegible] quia [illegible] [illegible] [illegible] gratia [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] peccatum mortale non potest remitti sine alio. // Qualis autem sit connexio [illegible] veniale et mortale dubitatur [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] peccatum mortale potest dimitti sine veniali [illegible] non possit [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] removet [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] opponitur veniale [illegible] [illegible] caritate cui opponitur mortale [illegible] [illegible] caritas [illegible] [illegible] [illegible] [illegible] caritatis [illegible] [illegible] [illegible] [illegible] peccatum mortale caritas non [illegible] [illegible] [illegible] [illegible] caritate. Sed [illegible] [illegible] dimissio peccati venialis [illegible] [illegible] caritatis [illegible] dimissio peccati peccati mortalis [illegible] [illegible] veniale non potest dimitti sine mortali. // [illegible] [illegible] [illegible] [illegible] non est [illegible] [illegible] satisfactoria [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] quod est [illegible] mortali [illegible] [illegible] non [illegible] [illegible] [illegible] [illegible] ergo non [illegible] satisfactoria [illegible] [illegible] [illegible] [illegible] [illegible] venialium // [illegible] [illegible] [illegible] [illegible] peccatum veniale potest dimitti sine mortali [illegible] [illegible] [illegible] [illegible] peccatum mortale [illegible] [illegible] [illegible] mortalis [illegible] non tollit gratiam [illegible] [illegible] paena debita.
