INTRODUCTION.

any material Variations in the Alexandrine, they shall be taken notice of in the Notes. In these Notes I have found myself obliged to enter on some Points, about which learned and able Men have always differed: I have used my own Judgment, and leave others to judge for themselves: I have no reason to be surprised, or angry, if learned and good Men differ from me in such Points: If I have succeeded in solving any Objections, or clearing up any Difficulties to the Satisfaction of any good Christian, I shall think my Time and Pains well bestowed.

the September of the Cafe, yet it was not generally true: I

found there is fome inflances to differ from both. In order to

Tables, where the Citations in the New Testament are placed in the middle, between the original Hebrar on the one fide, and

the Seprages Translation on the other. I had fome thoughts of

publishing it; but as Dr. Kenning was then engaged in the Col-

bes their that valently West being new complested, and

I having received great Light therefrom, now publish it, as it was them them out, only adding fome thort Notes on fuch paf-
