

motus i abaco seorsum seruādus est. Idem motus equalis aliter
& expeditius sic inuenit, ex differētia itaq̄ annor̄ quos date cō-
pleteūtūr aeræ, deman̄t anni xx, & dies 10z, & cū reliquo ex se-
cunda colūna canonis numerus exceptus equalem viij. sphēre
motū inter datas duas aeras explicabit, deinde cum numero A.
diuersitas vtriusq; mot⁹ sphēre viii, seu eq̄tio ex eodē canone
colligat, q̄ quidē differētia adiiciat eq̄li motui viij. sphēre pri⁹
elicto, atq; ex hoc aggregato, deducat differētia vtriusq; motus
per B, numerū cōperta, qdç residuebit ex hac deductione verus
erit motus octauę sphēre inter datas duas aeras cōprehensus,
quē oportebat exhibere. Exempli gratia duarum aerarū ante
Christi saluatoris nostri nativitatē datarū altera precesserit ean-
dem nativitatē annis 116, velut aera arati, altera annis 228, quē
admodū octuagesimus tertius annus a morte Alexādri magni,
vtricq; horū annorū numero, detractis annis xl, & diebus 204.
Erit numerus A, annorū lxxv, atq; dierū 161. Et B, numerus an-
norū 187, & dierū 161. Rursus differentia vtriusq; aerē existit an-
norū 112, his sublati si fuerit anni xx, & dies 10z, remanēt anni
91, dies 263, quibus per secundam lineā canonis de medio motū
octauę sphēre cōpetit gra. i, prima minuta viij, secūda xiij, his si
congreget vtriusq; differētia motus per A, numerū cōperta, ex
quarto versu, id est minuta prima ij, secūda lv, fiēt gra. i, minu-
ta prima xi, secūda viij, his deinde si deducat differētia vtriusq;
motus viij, sphēre, per numerum B, elicta, id est minuta prima
xvij, secūda xxxvij, remanēt minuta prima lij, secūda xxx, ve-
ri motus fixorū siderū seu viij, sphēre, inter datas cōsummatus
aeras Arati videlicet ac annorū lxxxij, a morte Alexādri ma-
gni, quē quidē hacten⁹ oportebat inuestigare. At ubi ex nume-
ro annorū ante dñicā nativitatē date anni xl, & dies 204, aufer-
ri nequeāt, ergo date eiusdē aerē numer⁹ annorū aut erit maior
annis xx, & dieb⁹ 10z, aut minor. Si maior, ex eodē igīt annor̄
numero, dēpti anni xx, & dies 10z, relinquent, annorū numerū
iuxta cuius rationē ad annos xx, & dies 10z, ex differētia equa-
lis diuersisq; mot⁹, seu equatiōe q̄ scribit̄ ex aduerso verbī incar-
nationis, id est ex secūdis xi, erit equatio siue differētia vtriusq;
