EXPLANATION.

The Plan of each City is laid down in its true form & described by Capitals thus: LONDON, DERRY.

County Towns with the Number of Members.

and send by Stars thus.

Others having no such Title. Market Towns.

are distinguished thus.

Market Towns thus.

Barnet.

Villages thus.

to which Post Offices have this addition.

Great Roads by one point & one bold line.

The Great Crooked Roads thus.

Lower Crooked Roads thus.

The true distance in number of Miles from one Market Town to another is given by Figures on the Road & E from London to Barnet 11. Miles but where figures are joined to show 80. they denote its exact distance from London.

The places where Astronomical Observations have been made are distinguished thus.

All the names of any place, Latitude. A Parallel Line. Longitude.

And two Lines signify both.

Printed for Robt. Sayer Map & Printfeller at the Golden Buck in Fleet Street.

Longitude East from London.
