

THE
ELLESMERE CANAL NAVIGATION
 from the
RIVER SEVERN near *SHREWSBURY*,
 to the
RIVER DEE near *CHESTER*,
and from thence to the
RIVER MERSEY near to *LIVERPOOL*;
with several Collateral Cuts into the
adjacent Country as described in the annexed
Plan, will pass thro' or near to many extensive
and valuable Collieries, & Lime Stone, Slate
and other Quarries, Iron Works, Lead Mines &c.
will connect the Rivers Severn, Dee and Mersey,
will open a safe and easy Communication for
the Carriage of Goods and Merchandize by
water from Liverpool to Shrewsbury, and to
a great extent of intermediate Country not at
present accommodated by any other inland
Navigation, and will be of great publick utility.
