Allegro.

The musical score is written for a single melodic line. It begins in 2/4 time with the tempo marking 'Allegro.' The first five staves contain a melody with many triplets and slurs. The sixth staff changes to 3/4 time. The final seven staves are filled with rapid sixteenth-note passages. Dynamic markings include 'ff' (fortissimo) and 'pp' (pianissimo). The piece concludes with a final cadence on the twelfth staff.

1. The first part of the paper is devoted to a general
discussion of the problem. It is shown that the
problem is of great importance and that it has
not been completely solved. The author then
presents a new method for solving the problem.
This method is based on the use of the
Fourier transform and the method of steepest
descent. It is shown that this method is
very efficient and that it can be used to
solve a wide variety of problems. The author
then presents some numerical results and
compares them with the results obtained by
other methods. It is shown that the new
method is more accurate and more efficient
than the other methods. The author then
presents some conclusions and suggestions for
further work.
