1774

N.B. The two Cumbrs belong to the Shire of Bute, and Cowall to Argyllshire. They were not surveyed, but taken from the best Charts. Only the Great Cumbr was laid down from an actual Survey of Lord Glasgow's.

The Rock Isay is placed here five miles East of its just Situation, it being ten miles due West of Girvan.

Latitude of AYR D. M. 55. 30  
OCEAN

Scale of Miles

The Number of statute measured Miles on the principal Roads from the Town of Ayr to the Boundaries of that County; as also the Distances from Ayr to some other remarkable Places.

|                                                         |             |                        |        |
|---------------------------------------------------------|-------------|------------------------|--------|
| To Maybole                                              | 8           | Galston                | 14 1/2 |
| Girvan by Kirkcaldwell                                  | 20 1/2      | Newmills               | 3 1/2  |
| Ballauntrae                                             | 12          | Bounds near Drumbray   | 5      |
| Bounds beyond Glenap                                    | 8           | Tot. 23 1/2            |        |
|                                                         | Tot. 38 1/2 | Kilmarnock             | 12     |
| Garpin Bridge                                           | 11          | Bounds at Flockbridge  | 10 1/2 |
| Balloch on the Foggy Road                               | 7 1/2       | Tot. 22 1/2            |        |
| Bounds near Loch Moan                                   | 5           | Irvine                 | 11 1/2 |
| Tot. 25 1/2                                             |             | Stewarton              | 7 1/2  |
| Upper Skeldon                                           | 6 1/2       | Bounds near the Cairn  | 5      |
| Dalmellinton                                            | 6 1/2       | Tot. 22 1/2            |        |
| Bounds near Cadgers hole                                | 3           | Irvine                 | 11 1/2 |
| Tot. 16 1/2                                             |             | Dalry                  | 6 1/2  |
| Old Cumnock                                             | 17 1/2      | Kilbirny Kirk          | 3 1/2  |
| Bounds past New Cumnock                                 | 8           | Bounds beyond that     | 1 1/2  |
| Tot. 25 1/2                                             |             | Tot. 23 1/2            |        |
| Old Cumnock                                             | 17 1/2      | Irvine                 | 11 1/2 |
| Bounds at Glenbuck                                      | 10          | Saltcoats              | 6      |
| Tot. 27 1/2                                             |             | Largs                  | 10 1/2 |
| Machline                                                | 11          | Bounds at Killy Bridge | 5      |
| Sorn and Glenbuck                                       | 15          | Tot. 33 1/2            |        |
|                                                         | Tot. 26     |                        |        |
| To Edinburgh by Cumnock, Douglas, Carnwath and Groshill | 74          |                        |        |
| by Newmills, Strathaven, Hamilton, &c.                  | 74          |                        |        |
| by Kilmarnock and Glasgow                               | 76          |                        |        |
| by Irvine Stewarton, Glasgow, &c.                       | 81          |                        |        |
| To Port Patrick coastways as above                      | 54          |                        |        |
| To Dumfries by Cumnock, Sempbar, &c.                    | 62 1/2      |                        |        |
| To Carlisle by Dumfries same way                        | 103 1/2     |                        |        |
| To Greenock coastways                                   | 43          |                        |        |
