The Explanation of the Mapp

1. Note that Roads are expreſs'd by Parrallel lines: the pricks Parrallels are ſo green Roads
2. Market Townes are Chorographically Deſcribed and are Distinguishable by a Round Roman Hand
3. In Roads Parish Towns and Villages are Ichnographically and Adjoyne Out of the Roads. Parish Towns, Villages, Gentlemens houſes and other Remarques, have their Reſpective Distinctions noted at bottom.
4. The Squares on the Mapp are for a Quarter of a Scale, the Side of each Square Containing four Statute or Common Miles, whereof 3280 feet make one Mile.
5. On the east side of the Mapp is placed the Meridian line and is devided into Minutes, and each Minute into 60 Seconds.
