## NACIONALES.

Os dejo, y marchó á desempeñar la delicada y ardua mision, que me ha confiado la Provincia.

Conoceis mis principios políticos, y sabeis los que me he comprometido á defender en la Asamblea Constituyente; debo sin embargo, daros la seguridad de que, proveer á vuestro completo armamento y equipo, será uno de los primeros objetos de mi solicitud como diputado, y como particular.

Las cinco reelecciones con que me habeis favorecido, me prueban que no he desmerecido de vuestras afectuosas simpatias, y me responden de que escuchareis docilmente mis últimos consejos. Union, Nacionales; union, valor, subordinacion y disciplina, y la Patria agradecida os llamará sus hijos predilectos.

El patriotismo y virtudes del gefe, á cuyas ordenes quedais, mitigan el hondo pesar que siento al separarme de vosotros: amadle, respetadle, obedecedle, por que es muy digno de mandaros.

Ignoro el tiempo que durará mi ausencia; pero sea el que fuere, estoy seguro de que, al colocarme otra vez á vuestra cabeza, os encontraré, como siempre, dignos soldados de la Libertad.

Nacionales; ¡ Viva la Libertad !

# THE HISTORY OF THE UNITED STATES

The history of the United States is a story of growth and change. It begins with the first settlers who came to the Americas in search of a better life. They found a land of opportunity, but also a land of challenge. The early years were marked by conflict and struggle, as the colonies fought for their independence from Britain. The American Revolution was a turning point in the nation's history, leading to the birth of a new country. The years following the Revolution were a time of rapid expansion and development. The United States grew from a small collection of colonies to a vast, powerful nation. The Civil War was a defining moment in the nation's history, as it fought to resolve the issue of slavery. The Reconstruction era followed, a time of rebuilding and reform. The United States emerged from the Civil War as a more unified and powerful nation. The years following the Civil War were a time of rapid growth and development. The United States became a world power, and its influence spread across the globe. The American West was a land of opportunity and adventure, and it played a major role in the nation's expansion.
