London 15 Jan

Our letters crossed dear Lola, so I hope to hear from you soon if you safely received the photos. My old leaves from Sept. 18th for a year's trip in Australia & N. Zealand! We shall miss you terribly & I wish you lived nearer me I hope you will write oftener than you did I do bear! Tell & wique our King was crowned at above beautiful Abbey, so he may like this card for the collection. With love from all ever yrs. Mary
